## Observation details

### 5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word limit** as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

1. Opening the area up to anti-social behaviour as at present, there is only one way in and one way out.
2. The health and safety of the children in the area as they would have direct access to a dual carriageway.
3. A higher volume of traffic into the estate with people parking their cars in order to get the bus.
4. Could lead to a rise in burglaries and theft due to the fact that the estate would become too accessible with more strangers passing through the estate with the excuse to say they are going to use the bus.
5. Only estate in the local area that would have direct access to a dual carriageway and all the dangers it poses.
