Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is no word limit as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

As a resident of Ayrfield Drive for 35 years I have major concerns regarding the opening of the green space between 45-47 Ayrfield Drive.

The loss of green space which enhances the area opening it up to a very dangerous busy dual carriageway is opposite contrast to our environmentally friendly way of life for all residents.

The NTA states that the site will serve the local people as a bus route. I have used all buses i.e. 17A, 27, 15, 42, 43 over the past 35 years I have never requested or complained to any politician or authority regarding my walk to the various bus stops. I have used both Bluebell Drive & Tangle Row entrance too connect with the buses

5. Grounds

Another concern is my security going forwards living on AYRFIELD Drive. Any opening will encourage Anti-social behaviour when gangs can walk down a quick access to disappena. The residents for many years have kept the area clean by planting flowers and making the area a family friendly area to live. I have brought up my two sons in the house both still living in the area, I would like to think the area is safe, both my sons cycled to school over the years using the Tenlee Road area, it was I never thought a cycle entrance would benefit us. BOTH use DART/bus to commute to work, both are OPPOSE TO THIS opening AS THE PEDESTRIAN/CYCLE ENTRANCES ON BLUNDE DRIVE/TENLEE ROAD SURFACE.
