Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is no word limit as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

- (1) I consider this a very unwise decision to open a road on a very busy dual carriage way
- (2) This part of Malahide Road is bumper to bumper already where will the extra traffic fit in?
- (3) When the estate was built there was an opening at the top of Blade more Ave onto the Malahide Rd. but was deemed to be too dangerous and was closed. There is even more traffic now.

5. Grounds

4) Another concern would be that there would be an escalation of ANTI SOCIAL behaviour as this Road would provide a quick get away exit.

5) Regarding our children who play on this area. Where can they go to play football?
All in all this is a very badly thought out plan.

Supporting materials

6. If you wish, you can include supporting materials with your observation.

Supporting materials include:

- photographs,
- plans,
- surveys,
- drawings,
- digital videos or DVDs,
- technical guidance, or
- other supporting materials.

You can insert photographs and similar items in your observation details grounds (part 5 of this form).

If your supporting materials are physical objects, you must send them together with your observation by post or deliver it in person to our office.

You cannot use the online uploader facility.

Fee
