Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word limit** as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

I am opposed to the opening of the green space between 45 & 47 Ayrfield Drive on a number of grounds.

Firstly and most simply it is a loss of a valuable play area for young children.

The breaching of the wall and the creation of an entrance into the estate could result in increased unwanted traffic (foot, scooter, etc) into an area where children are playing.

Also, this exit will lead directly onto a dual carriageway - hardly safe.

5. Grounds

The NTA state that this exit will serve the local people. I have yet to meet one person who is in agreement with this proposal.

There are two entrances into the estate already which have served the community well over the years. I feel this opening will only encourage car users to park in Pyotfield to catch a bus on the Malahide Rd.
