Re: Clongriffin to City Centre Core Bus Corridor Scheme Compulsory Purchase Order 2022

Dear Sir/ Madam,

I wish to object to the above on the following basis:

1. Access disruption and inconvenience during road works – **restriction/ interference** with my right of way from my house to the road
2. **Potential damage** to structure of my house from heavy road works in close proximity to my property
3. **Loss** of my driveway/ parking space
4. **Safety**- access to my property more dangerous, with increased accident risk, because of having to cross cycle lane, whether entering or exiting my property
5. Increased **noise pollution** due to increased traffic noise levels as traffic will be closer to my house
6. **Fall in value** of my property because of the above factors

Yours faithfully,

Caroline O'Hara
