Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word limit** as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

For the following Public Health and Safety reasons I have concerns about the proposed plans:

1. Increase in anti-social behaviour.
2. Increase in crime.
3. Child safety and protection.
4. Direct access to dual carriageway.
5. Overall safety of all residents.

There will also be a huge impact on the amenities and our community as follows:

1. Loss of green space which is used as a recreational area by the children.
2. Direct access to a dual carriageway. This was not requested by the residents.
3. Noise pollution from the dual carriageway and an increase in traffic in the area.

Traffic hazards must also be considered as follows:

1. Increase in risk of traffic accidents for our residents.
2. Increase in parking in the area for people using the bus service.
3. Increase in the volume of traffic in the estate.

5. Grounds

Supporting materials

6. If you wish, you can include supporting materials with your observation.

Supporting materials include:

- photographs,
- plans,
- surveys,
- drawings,
- digital videos or DVDs,
- technical guidance, or
- other supporting materials.

You can insert photographs and similar items in your observation details: grounds (part 5 of this form).

If your supporting materials are physical objects, you must send them together with your observation by post or deliver it in person to our office. You cannot use the online uploader facility.

Fee

7. You **must** make sure that the correct fee is included with your observation.

Observers (except prescribed bodies)

- strategic infrastructure observation is €50.
- there is no fee for an oral hearing request
