02/06/2022,

To whom it may concern,

I wish to object in writing to the proposed planning An Bord Pleanála intends to make, case 313182, which intends to provide a 'Bus Connects Clongriffin to City Centre Core Bus Corridor Scheme'

This development lacks sense or any benefit to the residents in Ayrfield. The wall in question, which the development threatens to knock down has long sheltered a community and provided a crucial green space for kids to play in.

This development threatens the security of local residents, will increase traffic and sacrifices key recreational areas for children. It stands to provide no benefit to local people.

The development will provide the following public health and safety issues:

- Children losing a popular green space
- Unwanted direct access to a dual carriageway
- Increased risk of road traffic accidents for our residents
- Strong probability of change in our low crime area to an area of high crime as it is easier to abscond from Garda

For all of above, I strongly object to the proposed development of 313182.

Yours sincerely,
Eoin Lynam
