**Observation on Clongriffin to City Centre Core Bus Corridor Scheme  
Compulsory Purchase Order 2022**

**Schedule (extract) Part 111 (Section B) Restriction of Public Right of Way Haverty Road  
and St. Aidan's Park Road, Marino, Dublin**

Observation in favour of this restriction.

We have lived on Haverty Road for 33 years in which time there has been a dramatic increase in traffic, specifically traffic that ignores the "No Right" turn into Haverty Road and uses it as a rat run, travelling at speed to access the Malahide Road.

A significant number of cyclists use this road onto which they are directed from Marino Mart and they are at risk while competing with traffic taking the illegal right turn.

The road is used by school children who walk to the primary and secondary school at the end of the road, and the road is also used by pedestrians to access shops on Marino Mart.

The only solution to make this road safe for everyone, including cyclists who will be directed through the road as part of Bus Connect Scheme, is to create a barrier at the junction as set out in the NTA Plan.

We fully support this proposal by National Transport Authority.
