Belfield / Blackrock to City Centre Core Bus Corridor Scheme
Case Number : 313509

To Whom It May Concern:

The overall plan for a bus lane on Nutley Road doesn't appear to take into account the following issues that are well known to the people who live in the area:

Merrion Road and N11 have successful bus lanes - which make the need for one on Nutley Lane questionable

The disruption to the proposed bus lane from residents trying to get in and out of their homes

The congestion on this road at present

People normally drive to a Maternity Hospital

The increased number of cars caused by the new hospital requires more - not less - road space

Thank you for your attention.

Kind regards,
Margaret Kelly
