Dear An Bord Pleanála,

As an owner and resident of 110 Pembroke road I wish to inform you that I strongly object to the proposal of a bus corridor on Baggot Street/Pembroke road.

This proposal will completely destroy the beautiful streetscape that currently exists. I find it impossible to understand why anybody could recommend the removal of so many beautiful trees along this road. With nearby bus corridors already on Northumberland Road and Donnybrook this proposal is a step towards the destruction of yet another streetscape in Georgian Dublin.

I strongly urge you to reconsider this drastic proposal.

Regards

Seamus Tarmey
