Re: proposal to divert north bound traffic away from St Mobhi Road and instead exiting city centre via Botanic rd, Glasnevin Hill, Cremore Villas

I wish to object to the above proposal which is part of the Ballymun/Finglas to City Centre Core Bus Corridor Scheme.

The Old Finglas Road is already a major bottle neck at school opening and closing times. This is due to the presence of the two schools St Marys secondary school and St Bridget's National school. At school opening and closing times the traffic along the old Finglas road comes to a complete standstill. Diverting even more traffic away from St Mobhi road along Glasnevin Hill and on to the old Finglas road would have an even more detrimental affect on traffic. As well as causing major congestion on traffic entering and leaving the city it will make it will generate even longer delays for traffic exiting the many side roads on to this artery.

Traffic jams outside St Mary's secondary school – 7 Nov 22 at 4:00pm

Regards,

Bill Reddington
