Date: 14 July 2023

Re: Tallaght/Clondalkin to City Centre BusConnect Core Bus Corridor Scheme.
Tallaght/Clondalkin to Dublin City.

Dear Sir / Madam,

An Bord Pleanála has received your recent submission in relation to the above-mentioned proposed road development and will take it into consideration in its determination of the matter. Please accept this letter as a receipt for the fee of €50 that you have paid.

Please note that the proposed road development shall not be carried out unless the Board has approved it or approved it with modifications.

The Board has also received an application for confirmation of a compulsory purchase order which relates to this proposed road development. The Board has absolute discretion to hold an oral hearing in respect of any application before it, in accordance with section 218 of the Planning and Development Act 2000, as amended. Accordingly, the Board will inform you in due course on this matter. The Board shall also make a decision on both applications at the same time.

If you have any queries in relation to this matter please contact the undersigned officer of the Board.

Please quote the above-mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Niamh Thornton
Executive Officer

An Bord Pleanála (Strategic Infrastructure Division),

64 Marlborough Street,

Dublin 1,

Tallaght/Clondalkin to City Centre Core Bus Corridor Scheme KA29N.317070

Dear sirs

We are making this observation on the above proposed scheme on behalf of the 396 undersigned residents of Crumlin who wish to make the following observations on the above proposed scheme. These represent real concerns among Crumlin residents. In general, we support improving Public Transport in the city and in our surrounding area of Dublin 12. Improvements for safer cycling and pedestrian movement are also to be welcomed. However, we as residents wish to point out several of what we see as unintended consequences that are the cause of concern.

Cycleway on Kildare Road. For most of the top end of Kildare Road the front gardens are too small for drive ins, but we note that for this section that the plans say that existing parking will be retained. Kildare Road is narrow along that section, and we cannot see how this road can have on street parking, a cycleway and room for buses under these proposals. We also have major concerns regarding the Arboricultural Impact Assessment that there are 22 trees to be cut down. These are mostly mature trees and replacing them with semi mature trees is not acceptable,

On the mid-section of Kildare Road there is no mention of on street parking and if this is the case then it will cause problems for residents who must park at the side of the road, Clogher Road has similar problems with on street parking issues.

Quite Street Clogher Road to Sundrive Junction. The proposed 200 metre quiet street proposal will have major consequences for surrounding roads, we believe that surrounding roads such as Saul, Slane and Downpatrick would have a large increase in vehicle traffic through these roads. We don't see how a 200-metre quiet road will have any impact on bus times given the relatively short stretch but the impact on surrounding roads will be huge. We are asking for this proposal to be removed from the plan. If it is not removed, then major traffic calming measures would need to be implement on surrounding road. Residents on these roads need to be consulted on how best to introduce such measures.

Bangor Drive & Clonard Road made one way. This proposal makes no sense to us. Traffic entering onto the Crumlin Road will have to exit from either Windmill Road or Old County Road. Both these roads will become even more congested than they currently are.

Cllr. Pat Dunne & Joan Collins TD
