**BUS CORRIDOR SCHEME
(PROPOSAL FOR RINGSEND)
REFERENCE NO. 317679**

I am making an observation on the above Great Dublin Area Cycle Network

Plan

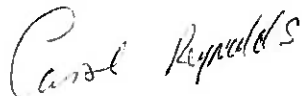

The current route proposes to deliver a cycle lane from the new pedestrian bridge over the Liffey through Pembroke Cottages, Cambridge Park, and Canon Mooney Gardens.

With this submission, I would propose an alteration to the proposed route. I believe any route should come over the river and travel down Thorncastle Road, which is parallel to Pembroke Cottages, then onto Cambridge Road and entering the park through the existing gate on Cambridge Road. Thorncastle Road is a wider road than the narrow and wholly residential Pembroke Cottages and this route would also serve the Ringsend Irishtown Community Centre which is situated on this road.

The proposal does not demonstrate an understanding of the road and amenity network in Ringsend.

I would ask that you take on board my submission and ensure that if this project proceeds, real consultation with local residents and community groups takes place.

Yours sincerely
