Clonloughmore  
Karesboro,  
Co Longford  
15/5/25.

To whom it may concern.  
I wish to lodge an objection to  
the application by Bord na Mona  
for substitute consent relating to  
historic peat extraction and  
associated development activities,  
at Derryadd Bog and other  
surrounding sites locally.

The work undertaken involving  
drainage surface alteration - infrastructure  
development has caused irreversible  
environmental damage to the locality.  
This includes destruction of rural raised  
bogs, habitat affects natural water course,  
affects the natural rural quiet environment  
we have chose to live in, built our  
home, raise our family with a local  
national school near by.  
We as a member of the 'participating'  
community in the area also have plans  
for this development.

Given the significant environmental impact it  
would cause, we object and wish to  
submit our objection to an Bord Pleanála  
Regards  
Brian Geraldine Ruth Aisle Rorain  
& Laura Keadagh
