Information sourced from Fáilte Ireland in October 2014. The items marked on the map are primarily tourism businesses which are in Fáilte Ireland's Tourism Content System database. The map should not be taken as a comprehensive representation of tourism in any particular area. Tourism amenities such as scenic areas, walking routes, historic demesnes, views and prospects, etc. are not contained on this map. Further detail and mapping of trails in Ireland can be found on the National Trails Register at www.irishtrails.ie

The data is representative of what Fáilte Ireland has in its Tourism Content System database at a point in time, and should not be construed as representing all tourism businesses in any particular area. It does not include, for example, tourism accommodation providers that are not registered with Fáilte Ireland.

Fáilte Ireland does its best to ensure the geo coordinates data is accurate but cannot guarantee the absolute accuracy of it.
