Re: PCI 0001 North-South Electricity Interconnector – Missing Information

Please see attached memorandum from Seamus Grant, Executive Officer (PCI Unit), dated 16th March 2015.

The 'Missing Information' was submitted by the project promoter on 13th March, 2015.

Please arrange examination of the 'Missing Information' submission to ensure that it is in line with the request for such information to be submitted by the Project Promoter by letter dated 16th December, 2014. Please confine this examination to an administrative exercise which does not involve any assessment of the planning merit of the information submitted. The assessment of the planning merits of the application will take place under Strategic Infrastructure procedures when the formal application is submitted.

The examination is requested from the Strategic Infrastructure Section by the PCI Unit and will feed into the overall assessment of the 'Missing Information' by the PCI Unit.
