North-South 400kV Interconnection Development

Dear Seamus,

I hereby submit EirGrid's draft application file (DAF) in respect of the above named project. This is being submitted for your consideration in accordance with Article 10 (4) of EU Regulation No. 347/2013. As per your request I am submitting three printed copies of the DAF and six soft copies on CDs.

The DAF has been prepared in accordance with the scope of material and level of detail of information identified by the Board in its role as competent authority under Regulation 347/2013 and which was communicated to EirGrid by letter dated 13th October 2014. For your assistance I draw your attention to Table 3.2 of Volume 2A of the DAF which lists the key matters identified by the Board for inclusion with the application and which sets out where these are addressed in the DAF.

I trust this is satisfactory.

Yours sincerely,

Aidan Geoghegan
Project Manager
