Re: North-South Electricity Interconnector

Dear Des,

I refer to the above matter. An Bord Pleanála in its role as Competent Authority for Projects of Common Interest (PCI) will soon be meeting with Eirgrid, the project promoter for the above project to identify the scope of material and level of detail of information to be submitted by the project promoter as part of the application file.

Prior to this meeting, the PCI Unit of An Bord Pleanála requests the input of the Strategic Infrastructure Section of An Bord Pleanála to identify the scope of material and level of detail of information to be submitted by Eirgrid in relation to the strategic infrastructure planning application.

Yours sincerely,

Diarmuid Collins,
Senior Administrative Officer,
PCI Unit.
