Sorcha,

Thank you for taking my call this morning.

As discussed, I attach:

- Greenlink's updated Concept of Public Participation document with dates of public meeting/exhibitions.
- A copy of the brochure which is available in booklet form and on our website.
- A copy of the recent presentation to the New Ross public representatives of Wexford Co Co.

We can also provide a copy of the public exhibitions display. However, the file is over 20MB and will not send through the email system.

If you require it, I am available to meet with you to go through the project documentation.

Please do not hesitate to contact me if you require further information or details.

Regards,

Rónán
