Subject: North-South Interconnector Project

Good afternoon Sir,

I have been asked by my colleague Diarmuid Collins to update you on matters relating to Projects of Common Interest and the North-South Electricity Interconnector project.

The missing information referred to in the email of 16th March 2015 has been examined and the application file will be accepted. We understand that EirGrid will shortly publish newspaper notices giving an indicative date for lodgement of the application under the Planning & Development Act, 2010, as amended.

Regards,

Seamus Grant
