Subject: North-South Interconnector Project

Good afternoon,

I email you to keep you informed of matters in relation to the North-South Interconnector project.

As I stated in my previous email EirGrid have submitted a draft application file to An Bord Pleanála (ABP) (Competent Authority) on 7th November, 2014. ABP in its role as Competent Authority under EU Regulation 347/2013 then proceeded to examine the draft application for missing information. On Tuesday 16th December, 2014 ABP (Competent Authority) informed EirGrid of missing information. It is now up to EirGrid to advance matters as no date was set for it to provide the missing information.

Again I want to reiterate that EirGrid did not meet any planning staff nor were the merits or otherwise of the draft application file examined in any way. ABP will make its file on the PCI process available to the public upon lodgement by EirGrid of an application under the Planning and Development Act 2000, as amended.

Regards,

Seamus
