Re: Projects of Common Interest and the N-S Electricity Interconnector

Dear Rachel,

I refer to the above. As you are aware the PCI Unit has a role of monitoring compliance with time limits and a letter dated 4th March, 2016 was issued to you in this regard.

In your response of 24th March, you stated that it was expected that An Bord Pleanála would be in a position to make a decision on the application lodged under section 182A(1) of the Planning and Development Act 2000, as amended during October, 2016.

I wish to inform you that the relevant date for the conclusion of the PCI permit granting process for this Project of Common Interest is 8th December, 2016.

Having regard to our monitoring responsibilities as the Competent Authority for PCI in Ireland we request an update on the timescale for the decision for this case.

Yours sincerely,

Diarmuid Collins,
Senior Administrative Officer.
PCI Unit.
