Subject: RE: PCI 2.13.1 North-South 400kv Electricity Interconnector

Good morning Tomasz,

We have extended the permit granting process by the maximum allowable limit of nine months. We have been able to do this as we did not extend the pre-application period.

We do not anticipate the project decision time limit going beyond this nine month extension period.

Kind regards,

Seamus

Dear Seamus,

Thank you for your letter. Could you please clarify few questions:

- By what period has the permit granting process been extended, by max 9 months?
- What are the main reasons for the delay? Do you expect any further problems that might impact the timely completion of the permit granting process?

Thank you very much
Tomasz
