Dear Sir/Madam,

I refer to the above named project.

Article 10 of EU Regulation 347/2013 provides that the competent authority shall identify, in close cooperation with the other authorities concerned, the scope of material and level of detail of information to be submitted by the project promoter (EirGrid). The article also provides that this may be done on the basis of a proposal by the project promoter, which is what is being done in the attached documents. The Article also refers to a checklist which shall serve as a basis for the

identification of the scope of material and level of detail. Please refer to page 21 of the PCI Manual of Permit Granting Process Procedures available on our website for details of the checklist.

Accordingly, you are asked to identify any scope of material or detail of information which is not referred to in the attached documents which you consider is required in relation to any consent for which you are the relevant authority and to reply to us by 16<sup>th</sup> February, 2021.

Yours faithfully,

Nichola Meehan

Dear Ms. Meehan,

**Re: PCI 0003, PCI Project 1.6, Celtic Interconnector Project.**

Further to your email of January 12<sup>th</sup>, the CRU can provide the following response to the submission by EirGrid.

The Scoping document submitted contains no reference to any consents that will be required from the CRU to proceed with this project. These may include, but are not limited to, an Authorisation to Construct an Interconnector (Section 16(1)(b) of the Electricity Regulation Act 1999 (as amended) (the 1999 Act)), and Consent to Lay Electric Cables (Section 48 and Section 49 of the 1999 Act).

Please don't hesitate to contact me should you wish to discuss this further.

Yours Sincerely,

Roisin Cullinan  
Licensing Regulatory Manager
