Re: Eirgrid Celtic Interconnector Project

Dear Sir/Madam,

Cork County Council acknowledges that EirGrid plc has the exclusive function to operate and ensure the maintenance of and, if necessary, develop a safe, secure, reliable, economical and efficient electricity transmission system, and to explore and develop opportunities for interconnection of its system with other systems pursuant to the provisions of the Electricity Regulation Act, 1999 and S.I. No 445/2000. Consequently, we hereby consent to the planning application by Eirgrid plc under Section 182A of the Planning and Development Act 2000 (as amended) for the proposed development of the Celtic Interconnector Project (An Bord Pleanála Project of Common Interest Ref. No. PCI0003) in so far as it relates to the following lands:-

East Cork Municipal District

1. Regional road numbers of the section in East Cork MD from Claycastle Carpark to N25 as follows: R-908-0 (part); R-634-16 (part); R-634-19; R-634-20
2. Local road number at crossing point of off-road section at Killeagh Village: L-3811-0
3. Local road number at crossing point of off-road section at Castlemartyr Village: L-3805-44
4. Local & regional road numbers of the section in East Cork MD from junction with N25 at Two Mile Inn to junction of R-626 with Carrigane Road as follows: L-3627-0 (part); L-7629-0; L-7617-44; L-3613-0; L-3610-25 (part); R-626-0 (part).

It is a matter for Eirgrid to seek the consent of Transport Infrastructure Ireland in relation to the N25.

As occupiers of the former Midleton to Youghal railway line at Claycastle, Killeagh and Roxborough, Cork County Council has no objection to Eirgrid seeking the consent of the property owners, Irish Rail/Iarnród Éireann.

Cobh Municipal District
