Re: Celtic Interconnector Draft Application File

Dear Ms. Cullinan,

Eirgrid have submitted a draft application file under Article 10.4 of Regulation (EU) No347/2013. As an authority concerned, you are requested to examine the draft application file and inform us if any missing information should be requested. Missing information should be addressed in the context of Article 10.4(a) which relates to the identification of the scope of material and level of detail of information to be submitted by the project promoter as part of the application file.

Please note that you are only being requested to identify any omission of information in relation to the application file for consent that relates to your area of authority.

I enclose an electronic version of the draft application and you are requested to respond to this letter by **14th June, 2021**. Please also note that it will not be possible to extend the time given.

Yours sincerely,

Nichola Meehan
