Dear Nichola,

Many thanks for confirming receipt of the Project Scope Document that we issued to An Bord Pleanála (ABP) on 21<sup>st</sup> Dec 2020.

We are currently trying to programme various associated activities and indeed are working to a very tight programme - to that end, it would be extremely helpful, if at all possible, if you could please provide us with an indication of when it may be possible for ABP to revert back to us with any comments that they may have in relation to the Project Scope Document?

While I appreciate we now not long after the Christmas period, I know that when EirGrid submitted a similar document for the same purpose to ABP for the North South Interconnector, we received the response within 10 days. I'm just wondering if it might be possible that we could expect to have ABO's response before the end of next week say?

Thanking you very much in advance,

Yours sincerely,

Valerie.
