Dear Seamus

The Co Co team had a very comprehensive briefing from the Eirgrid Team and we have a good understanding of the Project as well as the PCI Process.

We expect to be in a position to report back to ABP within the coming week or thereabouts. If anything queries arise in the meantime we will be in touch.

From a procedural prospective, we propose that each nominated person will confirm their opinion directly to you/ABP and cc me as the Primary CoCo contact. Is this in order?

Regards
Michael
