Good Morning Again Valerie,

Just a reminder about a matter that did come up at the meeting and one that we did not recap on. We are operating to a list of consenting authorities you sent us originally. The list includes ABP, CRU, Cork County Council etc. At the meeting, you said that an EPA Dumping at Sea permit will not be required and I asked for an updated list of consents required. You might send that on to us (with relevant contacts) in advance of the scoping proposal as that will enable us to prepare.

Regards,  
Diarmuid Collins,  
PCI Unit.

Good Afternoon Valerie,

Thank you for the slides. In relation to the scoping proposal, just so there is no misunderstanding, any proposal should relate to all the information to be supplied. This would include information for ABP, CRU, NMS etc.

Regards,  
Diarmuid Collins.  
PCI Unit.

Dear Diarmuid,

Many thanks for your time and very helpful feedback today.

Please find attached a copy of the slides that we discussed.

We will work on some of the key actions arising notably:

1. Preparing a letter setting out a joint schedule proposal for all 3 jurisdictions (similar to the timelines slide - slide 9 of 12).
2. Preparing a document setting out in more detail the proposed scope of the application in Ireland (based on the proposed scope slides 7-8 of 12).

If I have forgotten to mention any key points arising from your perspective, please do let me know.

Many thanks again and best regards,

Valerie.
