Hi Sorcha

We will do our best to meet the timeline, but if you don't feel you can wait for a response, please feel free to respond without input from inspectorate

Regards

Rachel

Subject: RE: Greenlink Interconnector Project

Hi Rachel,

As one of the consenting authorities concerned with this project, An Bord Pleanála is requested to respond by 15th May 2020.

As the competent authority, we are required to act in close co-operation with the other authorities concerned and with the project promoter in relation to these matters. Given the recently communicated request to us by the project promoter for this date to be met, you are requested to deliver within this timescale.

Kind Regards,

Sorcha

Subject: RE: Greenlink Interconnector Project

Hi Sorcha

In light of Covid-19 and limitations on what is achievable in that context and bearing in mind there is a freeze period applicable on all planning related decisions, I presumed that our/my comments are not required by the 15th.

There are a number of issues that require to be addressed in advance of commenting and I require board direction in advance

I will be in touch during the coming weeks to update you and respond formally

Thanks

Rachel

Dear Rachel,

I refer to my letter dated to you on 20th March in relation to the Greenlink Interconnector Project. Please note that the final date for making any submissions in relation to this project is the 15th May 2020.

I look forward to hearing from you.

Kind Regards,
