Re: Electricity Interconnector Project between Ireland and Wales (PCI Number 1.9.1)

Dear Sirs,

I refer to the above PCI Project and to the Missing Information submitted by you on 9th September, 2020 as part of the pre-application procedure. The consenting authorities have responded to the Missing Information submitted by you and their responses are attached as follows:

Response from Commission for Regulation of Utilities,

Response from An Bord Pleanála (SIDS), and

Response from Foreshore Section (DHLGH).

Please note the instances cited by An Bord Pleanála (SIDS) which it requires to be clarified when the application file is being submitted.

In relation to the submission of the application file to us, as the Competant Authority, your attention is drawn to section 4.3.2 of the Projects of Common Interest Manual of Permit Granting Procedures which is available on our website www.pleanala.ie.

You are also referred to our letter of 29th September, 2020 concerting the requirement under Article 9.4 of Regulation (EU) No. 347/2013 to submit a report summarising the results of activities related to the participation of the public prior to the submission of the application file including those activities that took place before the start of the permit granting process. This report is to be submitted together with the application file along with 6 electronic CD copies.

Please contact me in advance of the submission of the application file.
