Subject: CPO Ayrfield Drive

To whom it concerns

With regard to the proposed CPO of the field on Ayrfield Drive, there is absolutely no tangible benefit of any kind to the people who matter most in this situation, the residents of Ayrfield Drive and Ayrfield as a whole. The breakthrough in this tiny field would result in the decimation of a "safe play area" for young children on Ayrfield Drive and removal of the little piece of green space that exists in this area. By creating this corridor, it also raises concerns for our children around Health and Safety issues, with the remorseless stream of bicycles and scooters that will undoubtedly look to traverse this short cut. This CPO makes zero sense and should be stopped forthwith
