Bray to Dublin city Centre
The Trustees of St James Church Reference no 1067 – ABP-317742-23

Dear Ms. Reilly,

With regards to the above matter and your letter of the 17th June 2024. We note with great disappointment the Bords decision not to hold a oral hearing in to the matter. Having reviewed the responses provided by the NTA to our original objections ,it appears to us that this is no more than the limited information that was provided in the original EIAR and provides no more specific details relating to my Clients property in particular there are no drawings showing new boundary walls. Not with standing this my Clients have instructed me that they will be making no further submissions at this time.

We respectfully suggest that until a full detailed design is provided by the NTA that the Bord should not confirm the order.

I thank you for your consideration in the matter.

Yours sincerely,

Niall Sudway, MRICS, MSCSI, FCIArb. M.MII
