**3.9km in length running from existing Green line terminus at Broombridge to a new terminus at Charlestown, Dublin**  
**Case Number: ABP-321278-24**

Dear Ms. Reilly

I refer to your letter dated 28 February 2025 in which An Bord Pleanála under section 47D(1)(a) of the Transport (Railway Infrastructure) Act, 2001 (as amended) invited National Roads Authority (operating as Transport Infrastructure Ireland) ("TII") to respond to the submissions and observations made by members of the public arising from the public statutory consultation for the above railway order application. I note An Bord Pleanála's request that TII provide the said responses prior to 5.30pm on 27 March 2025.

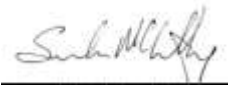

Accordingly, I enclose TII's response to the submissions made, in the form of a report titled "*Luas Finglas Railway Order Statutory Public Consultation- Response to Submissions Received*" via attached soft copy attachment with hardcopy letter and report to follow via hand delivery in the coming days as agreed.

I would be most obliged if you would kindly acknowledge receipt of same by return.

Please advise if you require TII to upload this documentation to the Luas Finglas RO website under the headings: "*Responses to Submissions and Observations*" and/or to be made available for inspection by the public at TII's office. We await hearing from you in this regard.

Yours sincerely
