RE: Planning Number: 319566. Ref No: PA08.319566

To Whom It May Concern

I would like to make a public submission, on behalf of my own Glin GAA Club, and neighbouring Clubs, Athea GAA, Abbeyfeale GAA, Foynes GAA and Gerald Griffins GAA in support of Shannon Technology & Energy Park Power Plant in Ballylongford, Co. Kerry. Planning Number: 3195666. Reference No: PA08.319566.

In our opinion it is a very welcome development and much needed in the area and nationally as an independent energy source. It would greatly help all our local sports clubs to survive into the future, with employment prospects greatly enhanced. As we are all aware North Kerry and West Limerick have suffered greatly with rural decline and emigration. With this in mind, we hope the planning application will be successful.

Signed:

JAMES O DONOVAN, (Glin GAA Club).

Glin,
Co. Limerick.
