A Chara

I wish to thank An Coimisiun Pleanála, for information dated the 26/08 and the subsequent addition on the 29/08 in relation to the above Case Number.

I wish to make the following observations:

Nothing has changed for me since I made earlier observations in relation to this project..... excerpt time. The needs of the community, the county and the country are as or more pressing now as they were when the project was announced.
