A chara,

Further to your recent correspondence, which included the Minister's response and the additional information received from Shannon LNG, we at Tarbert GAA (Cumann Lúthchleas Gael, Tairbeart) would like to reiterate our ongoing support for this proposed development.

In our initial submission we outlined our reasons for supporting the application, including job creation, investment in the locality and improving the country's energy security and these remain valid and I would refer you to that submission to view our supportive position relating to this application.

Is mise le meas,
Joseph Coolahan,
On behalf of Tarbert GAA.
