**Submission on Case reference: ABP-322568-25, Shannon LNG Limited, Shannon Technology & Energy Park.**

**To Whom it may Concern,**

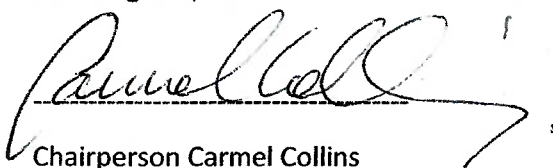

Having reviewed the recent decision from Minister Darragh O'Brien, we in **Moyvane Development Association**, continue to support this project, as outlined in our 2 previous submissions, dated 12/10/21 & 05/10/22 (Case reference: PA08.311233).

In view of the Energy crisis in Ireland and in Europe, the need for back-up supplies of energy was never more urgently required.

Shannon LNG Project would offer a secure supply of Gas & a Power Station to supply 600MW of electricity to the National Grid.

We, the above named Entity, reaffirm our support for the Shannon LNG Project and urge that this Planning Application be granted.

Kind Regards,

  
Chairperson Carmel Collins

  
Ass. Secretary Ursula Enright
