Re N6 Galway City Ring Road Motorway Scheme 2018 and Protected Road Scheme 2018

Dear Sir/Madam,

We the undersigned i.e. Galway City Harriers Athletics Club wish to formally object to the proposed routing of the N6 Galway City Ring Road through the Dangan area and in particular the route crossing through the Dangan Sports Grounds and NUI campus.

Galway City Harriers is the largest athletics club in Ireland and one of its most successful. It has produced many Irish internationals, has competed on the European stage and is a club of great renown. It attracts runners and athletes across all disciplines from all over Galway, and many international athletes have competed for the club. GCH attracts juvenile, adult, recreational and competitive athletes and is open to all, and we encourage sport, recreation, and promote general health and wellbeing in the City and county.

This route would severely impact the sports facilities and amenities of the Dangan sports campus area and the club is objecting on three major grounds;

1) The loss of vital Recreation and Amenity lands at NUI Galway and the permanent negative impact of a massive overhanging bridge structure on these recreational facilities and on the beauty and amenity of the Dangan area. These lands are the finest public amenity in the city, thanks to the good work of NUI Galway over the last 50 years. These are made available and widely used by the people of Galway in their thousands weekly and by sports clubs and teams from across the Country. The sports facilities include the Regional Sports Centre (track and hockey pitch), sports pavilion, rugby, GAA and soccer pitches, and miles of running and walking trails.

AN BORD PLEANÁLA

The grounds are used by multiple NUI Sports clubs, by athletics clubs such as us, i.e. Galway City Harriers, by Rugby, Rowing and other sports such as Triathlon, Hockey etc., for training camps and summer camps, and by the local and wider Galway community for walking and other recreation. GCH and NUIG Athletics have worked in tandem organising training sessions, events, share coaches and athletes and have a deeply entwined relationship for many years. GCH organize some 700 training sessions annually and circa 300 of these use the NUI/Dangan sports campus including the affected pitches and running trails.

Major events such as Colleges GAA (Sigerson Cup etc.), Collingwood Cup, NUI Galway 8k, Galway Athletics races, Triathlons and Duathlons, the Galway Regatta, Rugby games and Mini Rugby camps etc. are also held on these grounds regularly and this road project would severely impact on these events.

2) The negative impact on Sports Clubs in Galway in both the medium-term construction phase i.e. 2-3 years, and importantly in the long term due to the lost footprint of pitches, running and walking trails, and the lack of any provision whatsoever in terms of replacement of same in the medium term.

3) The negative impact on Human Health. The planning application submitted does not take proper account of the severe impact on human health notably in the areas of Loss of Amenity lands, nor Community severance i.e. the impact on Sports clubs and teams that use the NUI Galway sports campus and will now be homeless and their members without vital training and meeting facilities; nor the Diminished opportunity for Physical Activity due to the severe and profound impact on the Sports campus, the river walks and the general natural beauty and amenity of the area; nor the negative impact on Mental Health and wellbeing on people due to the closure and limited access for many years to the sports campus and Dangan area and the profound negative change a motorway will have on these lands long term. The EIS Chapter 18 admits there will be long term negative amenity impact, that sports facilities and recreational lands will be severely impacted, yet does not properly investigate the impacts on Human Physical health, mental health, wellbeing nor community severance as a proper study should. Any attempt to plough a motorway through this amenity should be rejected,

We ask that An Bord Pleanala reject this proposed routing. Options must be considered to improve traffic in the City but not at the expense of Human Health, Sports facilities and vital Recreation and Amenity lands. These lands are the finest sports facilities and public amenities in Galway, are irreplaceable and damaging these will damage the city, its population, and its health in the long term. We ask that other options such as a Corrib Tunnel, a revised routing e.g. GCOB 2006 crossing, or other engineering solutions be considered.

We have gathered an online petition of over 2,000 signatures directly in relation to this matter and we attached a list of same. (ENCL.)

This can be viewed online at https://www.change.org/p/an-bord-pleanala-save-dangan?recruiter=918918630&utm_source=share_petition&utm_medium=copylink&utm_campaign=share_petition. It is clear there is substantial public support for our submission.

We hereby urge the Board to favour our proposal and will welcome an oral hearing to state our case.

We enclose the requisite fee

Yours faithfully,

for Niall Heneghan (Gaelic) / Margaret Heneghan
On behalf of Galway City Harriers (Secretary)

Name	Location	Date	Comment
David Mullin	Galway, Ireland	2018-12-09	Those facilities are vital for the continued development of our young people and our young city.
Kenneth Quirke	Galway, Ireland	2018-12-09	This will upset the running of a great sports facility.
Esther O'flaherty	Galway, Ireland	2018-12-09	It is an amenity that is required for the health of the west side and f the city. The council do not provide parklands or amenities for the health and then through millions at trying to rectify a breaking health system. Prevention is better and cheaper than a cure. Parklands and exercise are essential for the health.
Deirdre Ward	Galway, Ireland	2018-12-09	It's an absolute disgrace to destroy such an important city amenity
William Johnstone	Oranmore, Ireland	2018-12-09	these facilities should not be taken away from the people of Galway... recreational facilities that are open to the public are in short supply around the city and to take them away is a step backwards.
Monica McAnena	Galway, Ireland	2018-12-09	This is bad on so many levels.
Mary O'Leary	Galway, Ireland	2018-12-09	It would be an absolute disgrace to decimate this vital recreational amenity and open space, used so heavily by the University and local community.
Jacqueline Ryan	Galway, Ireland	2018-12-09	It's a beautiful part of the city and it will be ruined forever with concrete.
Sean Black	Carlow, Ireland	2018-12-09	Great facility to have available
tony abse	Galway, Ireland	2018-12-09	The ring road needs to be further out to allow the city to expand and be future proof.
Michelle Abse	Galway, Ireland	2018-12-09	I don't understand why the ring road id going through the city and not around it as the city is bound to expand. Dangan snd nuig are in the middle of the city
Matt locket	Galway, Ireland	2018-12-09	It is the only proper decent sized green area in the city. Will be a disaster for sport, health and well being if a dual carraige way is put through the middle of it.
Kevin Carty	Jamestown, Rhode Island, US	2018-12-09	Will completely change the character of the open space between main campus and fields.
James Ridge	Galway, Ireland	2018-12-09	It's an incredibly beautiful area for sport and general outdoor activities for the public in Galway city. There should be a more intense reaction to the destruction of such a rare amenity not just in Galway city but in any city.
Marian Brett	Galway, Ireland	2018-12-09	Plants Snails more important that people!!!

Grainne Mac Manus	Dublin, Ireland	2018-12-10	It's an amazing nature and sports amenity so near to the city
Eoghan Tummon	Ireland	2018-12-10	Against road without plans to replace all facilities and make sure local area kept clean and unpolluted
David Cuddy	Galway, Ireland	2018-12-10	How appropriate it is that the proposed bypass; a monument to lazy bodies and lazy minds should plough through the sports grounds of a university.
Caroline Stanley	Galway, Ireland	2018-12-10	The loss of Recreational and Amenity land should always be questioned at a time when these spaces are needed in our city for the health of people , as wildlife green areas and as carbon sinks against pollution and against noise pollution
Máire Greaney Daly	Galway, Ireland	2018-12-10	We can surely do better than this and look to public transport with real commitment and stop sacrificing our community amenities to facilitate car use, which will never never be sated unless we change our whole view on transport...
Máire Greaney Daly	Galway, Ireland	2018-12-10	We're sacrificing community amenities. We'll never have enough motorways for cars until we take public transport seriously and start looking at alternatives. Remember, not everyone has access to a car...
maura brennan	grauguenamanagh, Ireland	2018-12-11	We need greenspaces for community wellbeing.
Kevin Rea	Galway, Ireland	2018-12-11	What GCC need to do ,is Construct this miles further out ,without any Evictions.Common sense .
Paul Fallon	Kilkenny, Ireland	2018-12-11	I have had the pleasure of using the facilities in Dangan since the 1970's. Back then it was not much more than a field and a hockey pitch with a sand running track going around it. Over the years it has grown to be one of the best facilities west of the Shannon, if not in the country. It is a facility that is widely used, not just by GCH (the largest athletics club in the country), but also by numerous other sports including hockey, soccer, GAA & rugby. It is also widely used by walkers, either solo or people out walking their dogs. The benefits of physical activity are nunerous, but do not stop at the physical. Studies have shown that

			there are also huge benefits to people's mental health when they exercise in an outdoor setting. If the proposed N6 Galway City ring road is allowed to go through Dangan, I believe that it will have a lasting negative impact not just on Galway City, but on the region. When we are trying to show the next generation the benefits of exercise, and trying to tackle illnesses such
Sean Conroy	Oranmore, Ireland	2018-12-11	Encouraging vehicle culture at a time when we should be developing and encouraging more and more physical activity and foot / bicycle traffic is just crazy.
Sandra O'Donovan	Galway, Ireland	2018-12-11	We need better, affordable and plentiful public transport. Not more roads.
Damien Elliffe	Mallow, Ireland	2018-12-11	People of Galway need adequate sports facilities. Look at the uproar about the temporary closure of Na Fianna GAA club in Dublin due to metro north. This is more grave and affecting a greater number of people.
Thierry Bort	Ireland	2018-12-11	I believe sport and any place that can help build the future, not a road that will destroy it
Mary Mulvaney	Ireland	2018-12-11	It's one of the most beautiful places in Galway to walk, why destroy this beautiful scenic place
Giselle Russen	Galway, Ireland	2018-12-12	I'm signing this because my children and I have used amenities over the years. I would hate to see this go. Also it would be a huge loss to NUIG.
Esther Martyn	Ireland	2018-12-12	My husband oversees the sports pitches there...surely there is a better solution....!!!!Dangan is place is serenity for so many people and children and dogs....it would be an absolute strategy if it were destroyed....
Gareth Murrin	Dublin, Ireland	2018-12-12	Good luck. Their plan is poorly thought out.
Tina O	Galway, Ireland	2018-12-13	Are we building more roads for drivers to get stuck in traffic when they are built? Since the Tuam motorway was built traffic on Doughiska Road is horrendous during peak hour traffic. Once the buses get on the Dublin Road bus lanes, they fly into town.
John King	GALWAY., Ireland	2018-12-13	It is a beautiful part of the City for walking and to see the lovely River Corrib and the beautiful views from the lake,
Conor McLoughlin	Ballina, Ireland	2018-12-13	To save Nuig Athletics
David Scott	Galway, Ireland	2018-12-13	Dangan - one of the few urban green areas in Galway- will be ruined by this
Joseph Francis Kelly	Galway, Ireland	2018-12-14	I don't agree in the route position especially when it is destroying homes and sports facilities
Dom Horan	Wicklow, Ireland	2018-12-14	We should be developing additional sports facilities, not ripping them down

Name	Location	Date	Comment
Luke Coleman	Dublin, Ireland	2018-12-14	This is one of the most actively used tracks in the country and one of the few in Connaught. With such a push for health and fitness facilities need to be kept in place
Ethan Lloyd	Westport, Ireland	2018-12-15	Cillian Jordan asked me to in the Connaught group chat 螺
Alan Wolfe	Dublin, Ireland	2018-12-15	The proposed Galway Ring Road is flawed from the start. The problem with Galway car congestion is not that people can't get around the city, it's that too many people in private cars are using the roads within the city. Studies have shown that it's not people trying to get around the city but people using the roads within the city that's causing the congestion. More reliable, frequent and even free public transport along with safe segregated cycle infrastructure would solve the issue of private-car congestion in Galway. And it would do it far far cheaper than a massive €600 million environmental destructive road.
Derrick Hambleton	Galway, Ireland	2018-12-15	Absolutely opposed to this choice as there are less damaging less expensive options to move people around besides needlessly knocking 44 family homes!
Orla Butler	Galway, Ireland	2018-12-16	I believe Dangan is a space for college students to learn new skills, families to roam around and dogs to play fetch. Please don not destroy it!
P J Leddy	Manorhamilton y, Ireland	2018-12-16	I want Galway's Sports and Recreational Facilities Saved for the people of Galway.
David Mathieson	Ireland	2018-12-16	It's one of the few athletics facilities in Galway and it's a beautiful place for a walk that will be marred by the proposed road. Also, with what we now know about the effects of poor air quality on human health it seems like a very poor decision to route a major road this close to a recreational facility used by children.
Rory Monaghan	Galway, Ireland	2018-12-16	I'm signing because I'm concerned about the impact this route will have on our students' health.
Mark Davis	Dublin, Ireland	2018-12-16	Galway athletics needs a track
Eilís Ní Dhúill	Galway, Ireland	2018-12-17	I'm signing because this is the single most important amenity in Galway. Every week hundreds of people use this facility for sport and pleasure. Ruining this facility risks ruining the health of those in the city. Also, I firmly believe that building this road is not a solution. Build more roads and more people will opt to drive...and the vicious circle begins again. Soon we would need even more roads. Please do not create a concrete jungle for us to live in.
Nuala Collins	Limerick, Ireland	2018-12-17	Find another route. Sports facilities are so important to a community
Michael Herlihy	Ireland	2018-12-17	There are multiple sporting locations across the country being removed to facilitate cars and parking facilities in a

FROM

Name	Location	Date	Comment
Steve Jones	US	2018-12-20	I am a sportsman of sorts and value the contribution these sports amenities provide for the community
Cathal O'Reilly	Galway, Ireland	2018-12-20	Dangan sports facilities are enjoyed and valued by tens of thousands of local community members each year. Allowing a road to be put here will have two negative consequences (1) relocating a sports facility much further away from the people that use it and (2) a ring road that is too close to the city centre that becomes a bottleneck in the next 5 to 10 yrs. Right solution our to push the ring road out further.

Name	Location	Date	Comment
			society which needs to move in the opposite direction to tackle issues like obesity and mental health.
colm O Maille	Galway, Ireland	2018-12-17	Dangan is an amazing area for many different sports.
martina passman	galway, Ireland	2018-12-17	I run there
Gemma Breathnach	Galway, Ireland	2018-12-18	Dangan and all its facilities is the lungs of our city. We need these green spaces!
Asa AsaTenam	glendale, California, US	2018-12-18	Screw the gov
Michael Carmody	Limerick, Ireland	2018-12-18	The role of health and well-being needs to be given greater priority in Ireland. Such vital social goods should never be forgotten even when discussing other social goods such as transport infrastructure. All alternatives should firstly be exhausted prior to destroying such valuable social infrastructure in Dangan
Jacqueline Ryan	Galway, Ireland	2018-12-18	This is a beautiful part of Galway and should not be destroyed for a road. We will never get it back once it's gone.
Evelyn Fanning	Dublin, Ireland	2018-12-18	The health wellbeing and environmental impacts of this proposal warrant an alternative to current proposal.
Seán Leonard	Galway, Ireland	2018-12-18	Public transport and cycling infrastructure could solve Galway's traffic problems for a fraction of this ridiculous, regressive and destructive highway. We do not need to accommodate (and encourage) private car transport, as the City Council asserts, we need to provide sustainable and healthy alternatives.
Shane Moloney	Limerick, Ireland	2018-12-18	As bad as transport is in Galway, destroying the only decent running area in Galway will just cause other problems, nit a great solution
Tj Bourke	Dublin, Ireland	2018-12-19	'Roads before runners' - it's a disgrace!
Darren Weldon	Lobinstown, Ireland	2018-12-19	There's not enough athletics tracks in Ireland as it is, we don't need to lose any.
fiona lynch	BURY, England, UK	2018-12-19	Dangan is a great community amenity and as an NUIG alumni who trained for years in this area it is shocking to think that it could be lost.
Lorena Higgins	Roswell, Georgia, US	2018-12-19	Lorena higgins
Ann Hernon	Galway, Ireland	2018-12-19	This is a facility that serves the Galway running/walking community
Darragh Ward	Galway, Ireland	2018-12-19	We should save Dangan, I think it's a great place
Paul Chelimo	Ireland	2018-12-19	Best of luck my Irish friends, all the way from Colorado
