Re: N6 Galway City Ring Road 2018
Objector: Genevieve Carter, Forramoyle East, Bearna, Galway
Property owner close to CPO plot ref 145 PRS
Objection to the CPO / Motorway Scheme / Protected Road Scheme
and Environmental Impact Assessment Report (EIAR)

Dear Sirs,

Please be advised that I object to the above mentioned proposed CPO / Motorway Scheme / Protected Road Scheme which is causing serious concerns and anxiety for me. I am especially affected in terms of access in particular. Having reviewed the drawings and documentation accompanying same including the Environmental Impact Assessment Report (EIAR), I object to the confirmation of the CPO / Motorway Scheme / Protected Road Scheme and the EIAR, on the following grounds:

1. Access and Roadway to House

I have been provided with no assurance or level of comfort regarding the nature and adequacy of access that will be available to me should the aforementioned scheme proceed.

2. Drainage

Inadequate drainage details have been provided along the proposed new roadway and there are concerns about adverse drainage problems during and after the construction of the new road. With climate change and associated high rain falls becoming ever more evident, this is a matter of serious concern for me.

3. Noise

Inadequate detailed information has been provided regarding the mitigation measures that are being proposed to control noise pollution.

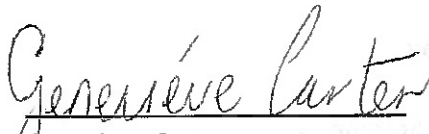

4. Environmental & Planning

I have concerns in relation to planning and environmental matters including parts of the EIAR.

5. Further Matters

The information supplied by the Acquiring Authority is incomplete and may change. I reserve the right to include other grounds of objection and to elaborate on the above listed grounds of objection and to tender these at the An Bord Pleanála Hearing which I request be held.

Your sincerely,

Genevieve Carter
