

Circular Rd.,
Upper Dangan
Galway
17th Dec 2018.

To whom it concerns,
I wish to object
strongly to the proposed routing of
the N6 Galway City Ring Road through
the Dangan Sport Grounds + NUIG campus.
This route will severely impact on the
sports facilities + amenities of the area.
This area is used by all the people
of Galway both young + old. A beautiful
quiet space in a very busy city.
We must preserve the beautiful area for
our children + all the children to come.
We are asking you to reject this route
+ preserve this area for the people of
Galway.
