Re: N6 Galway Ring Road – Submission on behalf of McDonogh Capital Investments Limited

Dear Sirs,

On behalf of our client McDonogh Capital Investments Limited, Unit 10, Dockgate Building, Dock Road, Galway we wish to make a formal submission in respect of the planning application by Galway County Council for the proposed N6 Ring Road. Our client strongly welcomes the proposed development and is supportive of it. In recent times Galway City has become synonymous with traffic congestion and this congestion is having a significant negative effect on the economic and business life of the City. Any infrastructure proposals which can alleviate this congestion are to be welcomed and for this reason our client is supportive of the proposed development.

We trust that you find the above in order. We respectfully request that you issue confirmation of this submission.

Yours sincerely,
