RE: Access through The Heath Estate, off Circular Road, Galway.

11th December 2018

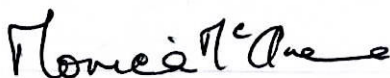

Dear Sir/Madam,

Please note that I have not received official notification from the Planning Office on the above issue.

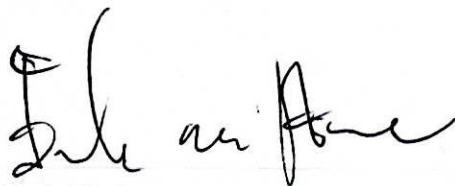

I have concerns over the use heavy machinery on the road through the estate as there are no footpaths on the road.

Please note that my son has Special Needs and this kind of traffic and disruption would pose a serious safety issue.

Sincerely,

Monica McAnena
