Dear Sir/Madam,

N6 Galway City Ring Road.

AN BORD PLEANÁLA	
LDG- 01114-18	PD
ABP-	
(D3) 20	19 DEC 2018
Fee: € 50.00	Type: CHEQUE
Time: 10.30	By: POST

We write to object to and make observations on aspects of the proposed N6 Galway City Ring Road as submitted to an Bord Plenala in October.

Firstly, in relation to the proximity of the said roadway in relation to our house on Circular Road

Secondly, there is no proposed noise mitigation for the roadway both during the construction phase and when the N6 Galway City Ring Road is operational.

Then there is the visual impact !! Having observed all relevant maps the visual impact from our perspective is abhorrant.

It will have a detrimental impact on the local community due to the destruction of family homes.

We reserve the right to raise further matters at the Oral Hearing should such issues emerge during our further investigations

Please find enclosed a cheque in the amount of €50 in settlement of our fee.

Yours sincerely,

Vincent O' Connor
