DRAFT SUBMISSION TO AN BORD PLEANALA – BUS CONNECTS
BLANCHARDSTOWN TO
CITY CENTRE ROUTE 5

Ref No. ABP 313892 Blanchardstown to City Core Bus Corridor.

Dear Sir/Madam,

The Navan Road Community Council (NRCC) was set up in 1968 to help bring together community groups and sporting groups so that they would have one voice when trying to get things done in the community.

We enclose our fee €50.00. Please acknowledge receipt.

We also request, on behalf of our members, and many people who attended our recent Public

Meeting – that an Oral Hearing be held. We are informed by the Board that there is no fee for this in a Strategic Roads Infrastructure project.

The NRCC supports the Core Bus Corridor Projects. Nevertheless, we do have concerns about the possible negative impacts of this project on our Navan Road Community.

Our submission to An Bord Pleanala (ABP) is to highlight our objections to aspects of the planning

application submitted by the National Transport Authority (NTA) for the Core Bus Corridor (CBC)

along the Navan Road, specifically our area of interest between The Parkway Railway Station and the

junction of the Old Cabra Road with the North Circular Road (NCR), and the local communities

surrounding same.

The NRCC wishes to contribute pro-actively in developing this project to the benefit of our community

as well as positively benefiting the wider population who access the city via the Navan Road for work and leisure purposes. We do not wish to see, nor will we tolerate a negative consequence arising because of this project.
