The order will authorise the NTA to restrict or otherwise interfere with the private rights described in Part IV (Section B) of the Schedule.

The order will authorise the NTA to temporarily restrict or otherwise interfere with the private rights described in Part IV (Section C) of the Schedule.

Any objection to the order should be made in writing to **An Bord Pleanála (Strategic Infrastructure Division), 64 Marlborough Street, Dublin 1, D01 V902**, so as to reach the said Board before 5.30pm on the 13th day of September 2022.

The Board cannot confirm:-

- (a) a compulsory purchase order in respect of the land if an objection is made in respect of the acquisition by an owner, lessee or occupier of the land, and not withdrawn;
- (b) an order which authorises the extinguishment, restriction or interference with a public right of way if there is an objection to the extinguishment, restriction or interference with a public right of way which is not withdrawn;
- (c) an order which authorises the acquisition, restriction or interference with a private right if there is an objection to the acquisition, restriction or interference with the private right by an owner, lessee or occupier of the private right which is not withdrawn,

until it has considered the objection(s).

An Bord Pleanála has an absolute discretion under Section 218 of the Planning and Development Act 2000 (as amended) to hold an oral hearing.

Before making its decision on an application to confirm the Compulsory Purchase Order, the Board must consider any objection made and not withdrawn, any additional submissions or observations made pursuant to a request by the Board under Section 217A of the Planning and Development Act 2000 (as amended) and any report of the person who held the oral hearing, if such an oral hearing takes place.

The Board, if it thinks fit, may confirm the compulsory acquisition or any part thereof, with or without conditions or modifications, or to annul the compulsory acquisition or any part thereof.

An Environmental Impact Assessment Report, and a Natura Impact Statement, for which separate public notice has been given, have been prepared in respect of the development which it is proposed to carry out on the land. Evidence in relation to (i) the likely effects on the environment of the proposed development, (ii) the implication of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed development and (iii) the likely significant effects of the proposed development on European Sites may be heard at any oral hearing, that may be held.
