Re: Bus Connects Templeogue/Rathfarnham to City Centre Core Bus Corridor Scheme
Templeogue/Rathfarnham to City Centre

Dear Sir / Madam,

An Bord Pleanála has received your recent submission in relation to the above-mentioned proposed road development and will take it into consideration in its determination of the matter. Please accept this letter as a receipt for the fee of €50 that you have paid.

Please note that the proposed road development shall not be carried out unless the Board has approved it or approved it with modifications.

The Board has also received an application for confirmation of a compulsory purchase order which relates to this proposed road development. The Board has absolute discretion to hold an oral hearing in respect of any application before it, in accordance with section 218 of the Planning and Development Act 2000, as amended. Accordingly, the Board will inform you in due course on this matter. The Board shall also make a decision on both applications at the same time.

If you have any queries in relation to this matter please contact the undersigned officer of the Board.

Please quote the above-mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Eimear Reilly
Executive Officer

Re: Planning Objection Templeogue/Rathfarnham to City Centre Bus Connects Proposal

To whom it may concern,

As a resident in the Terenure/Templeogue area, I strongly object to the current plans for this bus connects corridor:

1. It will impede my access to Terenure village for shopping/work route
2. It will hamper access to playing fields for my son in both VEC sports grounds on Templeogue Road and Bushy Park for sports training for Templeogue Synge Street players.
3. The plans at Rathmines Road lower will impede my journey to work in Baggot Street, which has no direct bus connection from my home and there is no improved bus service in the new plans to replace or improve my journey to work.
4. My husband Ken travels to IFSC and his journey will also be impeded and he has tried to use a bicycle to get there, but is currently at home seriously injured after being knocked down by a car enroute, so unless there are huge improvements to the cycle lane system in the city centre, this isn't a viable option.

Yours sincerely
