Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word limit** as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

- If implemented, the proposed Route 12 risks seriously adversely affecting the character and amenity of the areas of Rathgar and Rathmines, which are not only areas of architectural and historical significance, but also thriving village communities.
- The proposals risk causing severe congestion on Highfield Road and consequently on residential side roads including Villiers Road. In particular, the inevitable traffic increase arising from the closure of Rathgar Road to outbound non-bus transport would be wholly unsuitable and unsafe for Villiers Road, which is a quiet, narrow residential road on which parking is mostly on-street.

I request that An Bord Pleanála reject the current NTA plan for bus route 12 having regards to the grounds set out above.
