Description of Development: Construction compound on Dodder view Road/Church Lane/ Woodview Cottage  
Construction Compound TR3

Hi

I refer to the above planning application & wish to make the following submission / objection in relation to the proposed development. I wish to object to the proposed development based on the points outlined below:

- There is already a site in the area that has create noise pollution in the area- which residents have put up with for over 2 years.
- The site is currently an eyesore in the area, and to extend this is going to further impact the look and feel of the neighbourhood- devaluing the neighbourhood.
- The proposed development as I see it poses a risk to current users of the area . This area is frequently used by neighbouring children walking to & from the nearby school and Bushy park.
- It is the only grass area for the local neighbours children people.
- The woodland area behind the area is home to a lot of animals and this disruption will impact them.

On the basis of the above, I trust my concerns will be taken into consideration prior to a decision being reached on this.

Regards  
Niamh Wilson
