PLANNING APPLICATION 316272 TEMPLEOGUE RATHFARNHAM BUS CORRIDOR SCHEME
Submission of Greenlea Avenue, Greenlea Drive Greenlea Park

The signatories are residents of Greenlea Avenue, Greenlea Drive and Greenlea Park in Dublin 6W. These are three short entirely residential roads connecting Greenlea Road and Parkmore Drive and largely intended to allow residents access the three roads and Parkmore residents to access their road. Greenlea Park is quite narrow and is impacted by parking for local businesses. The other two are somewhat wider.

The most significant impact on the residents of this area will be restrictions to access their homes and small businesses in the community. This will arise due to inbound traffic on the Templeogue Road turning on to Fortfield Road and accessing Greenlea Road.

As the 24 hour bus gates on Templeogue Road near Olney Crescent will prevent cars and trucks accessing Terenure and districts beyond, and as there will also be a no right turn into Rathdown Park, it is inevitable inbound traffic will be forced to turn down Fortfield Road toward Greenlea and Lavarna Grove. The current solution proposed is a no right turn onto Greenlea Road and Lavarna. This ban is easily evaded by a short detour without taking into account those who choose to ignore it.

This will greatly restrict local access for residents in the Greenlea and Parkmore area, including the signatories.
